Aerosol Products

(500ml cans unless stated)

ADHESIVE SPRAY

A Non Chlorinated spray adhesive to bond all surfaces, canvas, felt, glass, metal, paper, rubber and upholstery, gives a permanent bond that is heat resistant and proof against damp, oil, and water. Chlorinated is available if required

ACRYLIC LACQUER

Is widely used in the automotive industry to protect and improve the appearance of recently cleaned engine compartments, especially prior to resale and H.G.V. replating examinations. It also provides an excellent moisture barrier for all electrical and ignition components.

AIR FRESHNER

Air freshener is used to eliminate unwelcome odours from the atmosphere leaving a long lasting pleasant fragrance.

AIR DUSTER

A jet of clean, dry gas for easy removal of dirt particles from precision machinery, optical and electronic instruments such as Keyboards etc.
300 ml

ANTI SEIZE (Aluminum)

A heat stable, extreme pressure, high temperature mechanical lubricant. Makes easy removal of tight joints. Resists temperatures of up to 275 deg C.

ANTI SEIZE (Copper)

A heat stable, extreme pressure, high temperature mechanical lubricant. Makes easy removal of tight joints. Resists temperatures of up to 275 deg C.

ANTI SPATTER

Prevents welding spatter sticking to ferrous and non-ferrous metals. A good protective for welding gun shields. It is silicone free, eliminating the problem of painting after welding. It is resistant to water, acids, salt and is a powerful anti corrosive.

ANTI STATIC FOAM CLEANER

Anti static compound reduces deposits of dust, dirt and the problem of static electricity and is a good general purpose cleaner.

ARCTIC FREEZING FLUID

Assists in locating faults in transistors, resistors, condensers etc. Is used to freeze water in small bore pipes to effect a quick repair. Often used to freeze chewing gum for easy removal. 300 ml

BRAKE CLEANER

Brake Cleaner is a blend of high penetration solvent cleaners which provides a speedy and effective removal of dirt, dust, grease, brake and clutch fluids from drums, shoes, discs, calipers etc.

CARBURETTOR CLEANER

A Special formulation for the quick cleaning of carburettors, thereby reducing rough idling and stalling, improves engine performance and lubricates upper cylinders.

CHAIN LUBE with PTFE

An excellent lubricant for medium and heavily loaded chain drives. It is suitable for a wide range of temperatures and will not easily be thrown off during use. O-ring safe

CITRUS DEGREASER

Is a heavy duty high pressure cleaner that is ideal for the removal of stains coatings or deposits of oil, grease and dirt It is of low toxicity leaves no residue and does not cause corrosion of metals including aluminum.

DE-ICER

De-icer is used for de icing windscreens and locks

DRY LUBE

Is a very specialised blend of acrylic resin, PTFE, molydebeum disulphide, producing a black/grey coating with extremely low coefficient of friction for use as a lubricant under the most demanding conditions, e.g. High dirt and dust conditions.

DETER (Barrier Cream)

A fast drying, greaseless white foam which when rubbed into the skin leaves an invisible protective film on the skin, which helps prevent irritation contact with all sorts of products. Helps prevent skin irritation.

DRILLING & TAPPING LUBE

For cleaner cut threads, smoother surface finishers in tapping, threading, reaming, boring, broaching and engraving. Stops galling, the main cause of tap breakage.

ELECTRICAL DEGREASER

This is a highly efficient alcohol based general-purpose solvent. It is ideal for the removal of stains, coatings, printing inks or deposits of oil, grease or dirt. It is also suitable for cleaning most electrical apparatus installations and delicate instruments leaving no residue.

EASY FREE ICE

Penetrating fluid which contains a low odour solvent with very high penetrating qualities for fast release of rusted nuts, bolts, pipe couplings and interlocking parts. Does not damage sound paintwork.

ENHANCE (Non - Silicone)

Enhance is a high quality non-silicone dressing designed to give a gleaming new appearance to all vinyl surfaces inside and out. It is the fast way to produce an attractive and durable finish that will last. Being Non-Silicone it is ideal for use in body shops.

FABRIC CLEANER

A blend of special solvents and detergents, which remove dirt, ink, grease etc. from most delicate fabrics.

FLEXY SHIELD

Is formulated for all exposed gears and other moving parts and will not be thrown off during use. Its specialized penetrating and water resistant properties make it ideal for applications such as exposed heavy-duty chains, steel cables and any situations where constant weather exposure is experienced.

FOAMING TYRE DRESSING

An easy way to clean and prepare tyres to showroom standard. Simply spray tyres and Foaming Tyre Dressing will produce a water resistant finish within a few minutes.

FOOD SAFE RANGE

See Separate Sheet for our range of NSF registered products

GASKET REMOVER

A highly active blend of solvents developed for fast easy removal of gaskets. It is also an ideal paint and varnish stripper.

GLASS & TILE CLEANER

The ideal cleaner for all windows and glass in cars, factories, garages, homes and offices. Ideal for all glazed surfaces, mirrors, tiles. Helps reduce misting and condensation.

GLOSS BLACK (Quick Drying)

Is a non-cellulose decorative touch up paint, recommended for many applications.

GRAFFITI REMOVER

A powerful unique formulation which dissolves felt tip, marker inks, acrylic and cellulose paints, ball point pen ink and aerosol sprayed graffiti from tiles, windows, metals, ceramics, concrete and fabric surfaces.

GREY PRIMER

Is a fast drying acrylic paint, which is suitable for priming a wide range of metals, wood and plastic prior to final coating.

GRIP (Belt Dressing)

A belt dressing, which lubricates, cleans all flat, round and V type belt, prolongs life, reduces slip, helps prevent squealing.

LEAK DETECTOR

Leak detector is a viscous solution designed to trace costly and potentially dangerous gas leaks. It produces a micro porous stable foam which indicates the position of even the smallest leak. It is Non Toxic, Non Flammable, Non Corrosive and completely bio degradable.

METECT

A long-term rust preventative, for the protection of any metal object from corrosion. Specially designed for use on any metal object whilst not in use, or in long-term storage and transit. It will protect bright mild steel for up to 5 years if placed outside.

M P S (PLUS) with PTFE (our WD40 equivalent)

MPS (PLUS) is a superior penetrating, de-ruster and lube liquid. Cleans and protects all metals, damp proofs and lubricates electric motors, electronic equipment. Dries out wet ignition systems, stops squeaks, penetrates, lubricates and prevents corrosion.

MARK-A-LINE (Various Colours)

A lead and xylene free resin based line-marking paint, used for marking in car parks, tennis courts, factories, warehouses, schools, road marking etc. Hard wearing and can be used on concrete, tar macadam, wood, steel and composites. 750 ml

MATT BLACK (Quick Drying)

A tough acrylic paint offering a convenient alternative to conventional spray equipment, suitable for most applications in the automotive and general industrial areas, and compatible with most other paint systems.

MULTI LUBE (PTFE Lubricant)

This is a high-grade lubricant containing PTFE and de-watering agents. It is virtually non-staining is suitable for all general applications, and is excellent in wet conditions

MULTI-SANITISER AND AIR CONDITIONING SANITISER

A two in one product. Multi-san has powerful bactericides that destroy germs and prevent cross infection for use in shoes, boots, wellingtons, face masks, ear defenders etc. Air con Sanitiser when sprayed into the air ducts and cooler matrix with the special adapter tube will sanitise and deodorise and freshen the complete air con system on cars, coaches, trucks and tractors.

REMEDY (High Wax Polish)

A blend of high quality waxes and silicones designed to clean, wax and shine almost any surface. Use remedy on wood, plastics (including vinyl) on tiles, ceramics, stainless steel and chrome plated surfaces.

SATIN BLACK (Quick Drying)

This is a fast drying acrylic paint, with exceptionally high coverage leaving a satin finish suitable for most applications within the automotive, industrial and marine industries.

SILICONE SPRAY

A universal release agent which is temperature stable in excess of 300°C. It is colourless, economical, non-flammable, non-toxic, odourless and safe on stainless steel. Ideal for use in baking, bottling plants, carpentry, dairies, double-glazing, hospitals, printing industries, rubber mouldings, vending machines, etc.

SPOT MARKERS

A 250 ml hand held paint marking system designed for indicating sites requiring repair or maintenance on roads, buildings, floors or gardens available in various colours

SUPER LUBE

A 200 ml can for use on door locks, hinges, rubber bushes, window channels. Waterproofs electrics, protects chrome/alloy, Home and garden curtain rails, sticking drawers, bicycle locks, linkages and garden tools and many more usages

SURVEY MARKERS

A 500 ml hand held paint marking system designed for indicating sites requiring repair or maintenance on roads , buildings, floors or gardens available in various colours

STAINLESS STEEL CLEANER

Will remove high soiling and stains. It deposits a fine film of protective lubricant leaving a soft glowing finish. It may also be used as a protective coating to help prevent food and grease splashes from sticking to the cooking range.

TRIM SHEEN

Is a high quality silicone-based dressing that contains a unique perfume that gives a gleaming new appearance to all vinyl surfaces inside and out

WHEELIE (SILVER PAINT)

A quick drying acrylic paint for steel wheels and other components suitable for most automotive and industrial applications

WHEEL CHAIR RED

This is a quick drying acrylic paint that has been colour matched to N H S red wheel chairs

WHITE GREASE with PTFE

For lubricating bearing, brake linkages, latches, cams window regulators, hinges, gears, springs, wires and cables

ZINC GALVANISING SPRAY This is a resin-based paint, which contains 96% pure zinc flake and can be used as a coating on pipes and steel fabrication to reduce corrosion and as an exceptionally good primer coat
(Bright)

Non Aerosol Engineering & Maintenance Products

(sizes available)

ALUMINUM CLEANER

Alu-Clean is an acidic based liquid containing biodegradable surfactants, and corrosion inhibitors. It cleans and brightens all aluminium surfaces, suitable for use in hard and soft water areas. [5lt/25lt](#)

AQUA SPERSE

Aqua Sperse is a solvent deposited water displacing fluid. It will displace water from components which have been water rinsed after any kind of cleaning operation, and leave behind a thin rust preventative film which protects the surface against further corrosion. [5lt/25lt](#)

BLOCK BUSTER DRAIN OPENER

Contains a high percentage of sulphuric acid and rapidly dissolves obstructions in grease traps, drainage systems, industrial drains etc. Removes blockages caused by grease, hair sludge, paper and other organic materials etc. [2.5lt](#)

CONCRETE & BRICK CLEANER

A powerful blend of inhibited acids forming an effective cleaner for cleaning brick and masonry contaminated by cement. [5lt/25lt](#)

COPPER ANTI SEIZE GREASE

A heat stable, extreme pressure, high temperature mechanical lubricant. Makes easy removal of tight joints. Resists temperatures of up to 275°C. [500g tub](#)

DESCALE X

A powerful blend of inhibited acids forming an effective cleaner for dissolving scale, mineral and lime deposits that form on metal and machinery parts. Also used for cleaning brickwork and masonry contaminated by cement. [5lt/25lt](#)

ELECTRICAL SOLVENT CLEANER

Electrical Solvent Cleaner is a highly refined non aromatic solvent cleaner specifically formulated for use on electric and electronic components where the use of traditional hydrocarbon solvents is restricted for toxicity or operational reasons. Electrical Solvent Cleaner may also be used as a degreaser for metals, plastics and painted surfaces including chlorinated rubber finishes. [5lt/25lt](#)

FRESHEN

Is a bactericidal odour remover/cleaner for the removal of odour caused by urine, vomit, mildew, smoke and general cooking smells. Also effective on drains and as a carpet/upholstery freshener. [5lt/25lt](#)

MULTI ZORB (SOAK DRI)

Soak Dri is a highly absorbent mineral in granular form offering a fast, clean and safe method of removing any liquid spillage. It is chemically inert and does not support combustion. [18kilo](#)

NO 77 (Cold Tank Degreaser)

Low toxicity solvent degreaser and paint stripper for use in cold dip tank operations. The product will accept a water blanket to reduce evaporation. It is non-flammable. No rinsing is required. It is very effective on a wide range of soiling. [25lt](#)

NEUTRAL DETERGENT

Neutral Detergent is a 20% active detergent which is suitable in many areas, i.e. Hand dishwashing, walls, floors, etc. this product contains a coconut oil derivative which encourages its foam boosting properties. [5lt](#)

OIL AND TAR REMOVER

Low-toxicity oil dispersant, ready to use especially suitable for on shore and beach cleaning. Contains oil soluble emulsifiers that promote rapid dispersal of oil into minute particles in which state they are readily degraded by oxidation and bacterial action and is itself biodegradable. [5lt/25lt](#)

SPECIAL D

Special D is a multi purpose solvent cleaner for the removal of oil, grease and dirt from a wide range of surfaces including engines, chassis, concrete floors, machinery etc. It can be used neat or diluted with gas oil or paraffin for further economy. It will also remove certain protective waxes from new cars. [5lt/25lt](#)

STRIPLINE

Stripline is a viscous, brush applied paint stripper for most types of finishes. It is water washable and economical in use. [5lt](#)

STRIP SOL

Strip Sol, used cold, provides a most economical answer to the problem of carbon and paint removal from a wide range of irregular surfaces such as cylinder blocks, piston, carburettors, fuel pumps etc. A powerful blend of stripping solvents are prevented from evaporation by an inhibited water seal. [25lt](#)

SOAK DRI

Highly absorbent minerals in granular form offering a fast, clean and safe method of removing any liquid spillage. [18kilo](#)

MUTTON CLOTH

4 Kilos of pre cut medium grade mutton cloth ideal for cleaning or polishing. [4kilo](#)

PURE COTTON CLOTHS

10 Kilos of pure cotton cloths for polishing or general cleaning. [10kilo](#)

NITRILE GLOVES

Nitrile, excellent quality gloves available M/L/XL. [Boxed 100](#)

NITTI GRITTI HAND WIPES

50 Hand wipes with grit for extra hand cleaning no water required ([10 tubs per case](#))

Garage/Transport/Valeting Products

DE- ICER (bulk)

A high quality low water product , used to clear iced over surfaces ideal for door and boot locks, windscreens etc. [1lt\(trigger\)/5lt/25lt](#)

ONE SHOT (chemical toilets)

A special formulation of surfactants and formaldehyde to clean and disinfect all types of chemical toilet. Pleasantly perfumed. Suitable for both coach and porta-loos etc. [1lt](#)

SCREENOL (concentrate)

An all weather concentrate that can be diluted up 25 to1 it cleans and brightens your windscreen without smearing. [5lt/25lt](#)

SCREENWASH

A ready to use version of the above. Apple fragrance available. [5lt/25lt](#)

UNIQUE SEAT COVERS

100 Extra large centre feed seat covers in white, dispenser is available. [Boxed 100](#)

FLOOR MATS

250 Plain white paper floor mats designed to keep your customer carpets clean. [Boxed 250](#)

TRAFFIC FILM REMOVERS

(These products are all concentrates and require diluting before use)

ECON-O-CLEAN (Caustic)

Is a Caustic based TFR for heavy duty cleaning etc. Including removal of stubborn traffic film from cars and commercial vehicles and the degreasing of engines, chassis, components etc. [25lt](#)

HI -TECH - D

Environmentally Friendly traffic film remover for use through hot or cold pressure washers for the removal of bodywork, curtain sides, engines and chassis. Contains no added alkalizes, caustic, or nitrates. [25lt](#)

[HI - TECH - D is fully biodegradable.](#)

SURE-A-CLEAN (Non Caustic)

A low cost vehicle cleaner designed to be used through high pressure cleaning machines. It is a low toxicity, non-caustic product for all mixed fleet transport cleaning. [25lt](#)

VALETING PRODUCTS

BRUSH WASH

A mild detergent for hand washing or drive- through vehicle washes, very economical to use. [25lt](#)

CORAL (P D I Polish)

A high quality wax polish for new vehicles or recently re-painted which leaves the bodywork with a long lasting gloss finish even on dark colours. [5lt](#)

GOLD USED CAR POLISH

A high quality cut and wax polish for used vehicles or recently re-painted which leaves the body work with a long lasting gloss finish even on dark colours. [5lt](#)

JADE (Glass Cream)

Is a non – abrasive cream glass cleaner and as been formulated to remove dirt, stains, dead insects, tobacco haze and greasy marks from all glass surfaces plus tiles and ceramic surfaces. [5lt](#)

LONG LIFE RUBBER DRESSING

Is a high shine long-term rubber dressing and vinyl enhancer. [5lt](#)

RUBBER SLIK

A ready to use satin finish rubber cleaner designed to enhance the appearance of all types of rubber and vinyl surfaces. [5lt](#)

TAR AND GLUE REMOVER

Will remove tar and glue deposits from all types of vehicle bodywork. [5lt](#)

TRIM SHEEN

Will restore and enhance all vinyl surfaces leaving behind a pleasant perfume giving your vehicle that clean and fresh feeling. [5lt](#)

NON-SILICONE VINYL GEL

Is a silicone free vinyl dressing for use on dash- board, bumpers etc. Being silicone free this product is ideal for use in vehicle body or paint shops. [5lt](#)

WASH WAX

A highly concentrated wax shampoo for all types of vehicles it removes dirt and traffic film leaving an "AS NEW " shining finish. [5lt/25lt](#)

Janitorial

BLEACH

A powerful concentrated bleach for use in food and industrial factories. Economical in use. **5lt**

THICK BLEACH

A thickened powerful concentrated bleach for use in food and industrial factories. Economical in use. **5lt**

BLOCKBUSTER

A acid based drain opener that will rapidly dissolve obstructions in grease traps, drainage systems works on grease, hair, sludge, paper and other organic materials. **2.5lt**

BIO CARPET CLEANER

Is a specially formulated microbial product. designed to remove stains from carpets, upholstery, fabrics and also eliminate odours bio carpet cleaner can also be used as a pre spotter or diluted to clean through an extraction machine. **5lt**

BIO MULTI-PURPOSE CLEANER

Is a unique biological liquid which has been specially formulated for the removal of grease oil fats and other organic materials found on hard surfaces such as tiles floors shower areas and sinks. this is cleaning natures way. **5lt**

BIO TOILET CLEANER

is a blend of micro organisms and surfactants which produce a wide range of enzymes that degrade organic waste and reduce the build up of deposits that lead to odours in toilets and urinals and help keep the water flowing free. **5lt**

BLOSSOM (floral disinfectant)

A fresh smelling concentrated floral disinfectant that can be diluted at up to 60 to 1 conforms toBS6424. **5lt**

CHANNEL BLOCKS

Strongly perfumed to freshen and deodorize wash rooms and toilets. Manufactured from 100% Para dichlorobenzene coloured yellow. **Packed in 3.25 kilo tubs**

FRESHEN

Is a bactericidal odour remover/cleaner for the removal of odour caused by urine, vomit, mildew, smoke and general cooking smells. Also effective on drains and as a carpet/upholstery refresher. **5lt**

HEAVY DUTY CLEANER

Concentrated floor and hard surface cleaner Can be used for the removal of heavy impacted oil, grease and dirt, engine degreaser and extra heavy build-ups of emulsion polish. Can also be used with rotary and scrubber drier machines. Also available with either a mint or lemon perfume. **5lt/25lt**

LU-BLUE

A pack of 2 fragranced blue tablets to clean and deodorize with every flush of the toilet. **12 packs/box**

LU-FRESH

A pleasant fragranced toilet bowl cleaner / deodoriser. Lu Fresh is safe to use on stainless steel. **5lt**

LEM SOAP

Is a synthetic pine oil based jelly soap. It is a mild , non alkaline, non abrasive cleaner with excellent antiseptic and disinfecting properties for use in toilets, showers, public service vehicles shops hospitals schools etc. **5lt**

NEUTRAL DETERGENT

Neutral Detergent is a 20% active detergent which is suitable in many areas, i.e. Hand dishwashing, walls, floors, etc. this product contains a coconut oil derivative which encourages its foam boosting properties. [5lt](#)

PINE DISINFECTANT

Fresh concentrated pine disinfectant complies with BS6424 and will dilute at up to 60to1. [5lt](#)

PINE GEL

Is a synthetic pine oil based jelly soap. It is a mild, non alkaline, non abrasive cleaner with excellent antiseptic and disinfecting properties for use in toilets, showers, public service vehicles, shops hospitals, schools etc. [5lt](#)

TOILET CLEANER / DESCALER

Is an acidic based toilet cleaner used to remove urine stains and lime scale from urinals and toilet bowls it eliminates odours by killing germs bacterial mould and fungi. [5lt](#)

TRIPLE CLEANER

A 3 in1 multi surface cleaner that cleans, disinfects and deodorises in one operation suitable for toilets, kitchen areas, and all multi surface cleaning. [5lt](#)

WASHING UP LIQUID

A high active general purpose liquid detergent generating long lasting foam and is useable in hard and soft water areas. [5lt](#)

WASHING UP LIQUID BACTERICIDAL

A Bactericidal high active general purpose liquid detergent generating long lasting foam and is useable in hard and soft water areas. [5lt](#)

Hand Hygiene Products

CITRA CLEAN

(our orange swarfega product)

Is a solvent free orange beaded hand cleaner that has been manufactured from natural materials to eliminate the emissions of any solvent into the atmosphere, yet is still an extremely effective and popular hand cleaner. [5lt](#)

CITRA GEL

Is a citrus based orange gel hand cleaner which contains small poly beads which gives it extra cleaning power, very popular in the motor and engineering industries. [15lt](#)

PERFUMED HAND CLEANER

This product is a luxury pearlised hand cleaner with a pleasant perfume which makes it a must for the office washroom or hotel toilets. [5lt](#)

NITTI GRITTI

A solvent based hand cleaner with poly beads with excellent cleaning ability, very popular in the motor and engineering industries. [15lt](#)

BARRIER CREAM LIQUID

A universal barrier cream liquid for general industrial use. [5lt](#)

SKIN SOFT

A high quality after work moisturizing cream designed to replenish the skin's natural oils lost during work. [5lt](#)

CITRUS SOAP

Is a non beaded liquid soap for use in all industries. It is non irritating and leaves the skin soft and clean without residue. [5lt](#)

The two soaps below have been Independently tested for:-

Methycillin Resistant Staphylococcus Aureus
Salmonella Typhimurium
Listeria Monocytogenes
Pseudomonas Aeruginosa
Escherichia Coli
Staphylococcus Aureus
Enterococcus Hirae
Clostridium Difficile
Candida Albicans

BACTERICIDAL HAND CLEANER

Is a highly concentrated biocidal skin cleaner. With biocides that kill the bacteria that cause skin infections and breaks the chain of infections that lead to the contamination of foodstuffs. 5lt

HAND SANITISER

A alcohol based hand Sanitiser for where extra hygiene is required such as hospitals, canteens, food preparation areas etc. 50ml pocket size/500ml push top/5lt
